## N Coaxial Connectors

Electrical Characteristics		Environmental Characteristics	
Impedance	50Ω	Working temperature : -65~+165℃	
Insulation resistance (MΩ)	≥5000	Relative moisture	90%~95% (40±2℃)
VSWR (0~2GHz)	≤1.10	Atmospheric pressure 70~106Kpa	
IM3 (dBc)	≤-155	Waterproof	IP68
Contact resistance (mΩ)	Outer conductor	Corrosion (Salt Spray Test)	Continuous Mist for 48 Hours (5% NaCl)
	Inner conductor		

Product	Cable type	Connector type	Unit	P/N
N connectors	3/8" S	male straight	Set	MX0102001
		female straight		MX0102002
		male right angle		MX0102003
	1/2" S	male straight		MX0102004
		female straight		MX0102005
		male right angle		MX0102006
	1/2" R	male straight		MX0102007
		female straight		MX0102008
		male right angle		MX0102009
	7/8" S	male straight		MX0102010
		female straight		MX0102011
		male right angle		MX0102012
	7/8" R	male straight		MX0102013
		female straight		MX0102014
	1 1/4" R	male straight		MX0102015
		female straight		MX0102016
	1 5/8" R	male straight		MX0102017
		female straight		MX0102018
