

WELDED D RING, SS304

- **Easy and quick installation**
- **Made of type 304 stainless steel for superior corrosion resistance, durability, and a compact yet high-load design.**

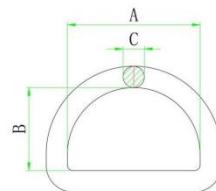

Product Classification

Item Number	6009747
Part number	--
Detail Description	WELDED D RING, SS304

General Specifications

Material	304 Stainless Steel
Size	4x25x22mm

Dimensions

Dimension A	25mm
Dimension B	22mm
Dimension C	4mm

Packaging and Weights

Included	WELDED D RING, SS304
UOM	1 Pcs
Packaging	Bag
Weight, Gross	0.01 kg 0.022lbs

Certifications and Compliance

ISO 9001:2015	Designed, manufactured and/or distributed under this quality management system
RoHS	Compliant
